

Remote Control Information Table

Industry: ☐ Construction machinery; ☐ Crane machinery;
☐ Agriculture/forestry machinery; ☐ Explosion proof/coal mine;

General information:

1. Application requirement: ☐ General ☐ Mining series ☐ Explosion proof series
2. Frequency choose: ☐ 430~450Mhz ☐ 850~870Mhz ☐ other
3. Screen choose: ☐ NO Need; ☐ 1.5 inch OLED screen; ☐ 4.3 inch screen;
4. Cable outlet mode at receiving end: ☐ Water proof connector, Cable extension: ☐ 1.2M; ☐ 3M;
☐ Other _____; ☐ Rectangle overloaded terminal;
5. Power supply: ☐ Battery powered; ☐ External power supply;
6. Voltage choose: ☐ 9~36V; ☐ 24~48V±10%; ☐ AC; ☐ DC; ☐ Others;
7. Output mode: ☐ CAN; ☐ PWM ☐ PWM(DANFOSS); ☐ Relay output; ☐ ProfiNet;
☐ MODBUS; ☐ CANOPEN; ☐ Current analog quantity; ☐ Voltage analog quantity;
8. NFC function: ☐ need; ☐ No need;
9. Antenna specification: ☐ Fixed antenna; ☐ Suction cup extension antenna;
☐ Shockproof antenna; ☐ Explosion proof antenna;
10. Battery quantity: _____;
11. Special accessories: ☐ shoulder belt; ☐ waist belt;
12. Please provide Functional symbol documents and panel requirements
13. If you have other electric requirement, please provide your technical files
